Standard backup: | Am / / / | G / / / | C / / / | C / / / |

## Intro: Standard Backup (2x)

V1: I was scared of dentists and the dark  
I was scared of pretty girls and starting conversations  
All my friends are turning green  
You're the magician's assistant in their dream

Pre-Chorus: Ooh ooh ooh, Ooh ooh, and they come unstuck

Chorus: Lady, running down to the riptide  
Taken away to the dark side  
I wanna be your left hand man  
I love you when you're singing that song and  
I got a lump in my throat 'cause  
You're gonna sing the words wrong

V2: There's this movie that I think you'll like  
This guy decides to quit his job and heads to New York City  
This cowboy's running from himself  
And she's been living on the highest shelf

## Pre-Chorus

## Chorus

## Solo (no backup)

## Bridge (backup here is 2 bars for each chord)

I just wanna, I just wanna know, if you're gonna, if you're gonna stay  
I just gotta, I just gotta know, I can't have it, I can't have it any other way

## (return to standard backup)

I swear she's destined for the screen  
Closest thing to Michelle Pfeiffer that you've ever seen

## Chorus 3x

I got a lump in my throat 'cause you're gonna sing the words wrong.
